Boil Water Notice Lifted

Este informe contiene información muy importante sobre su agua potable.
Tradúzcalo o hable con alguien que lo entienda bien.

THE BOIL WATER NOTICE HAS BEEN LIFTED

The State Water Resources Control Board Division of Drinking Water in conjunction with the Calaveras County Environmental Health Department and the Calaveras County Water District (CCWD) are advising about 20 residents of Murphys on Brice Station Road and 3 Mile Drive, served by CCWD's Ebbetts Pass Water System #05100166, that the results of the testing of your water supply have come back absent for bacteriologic contaminants. The potable water supply meets all the state and federal safety requirements and your water is safe to drink and use as you see fit.

You no longer have to boil your water
