

**\*\*\* PRELIMINARY NOTICE INVITING BIDS \*\*\***

CALAVARAS COUNTY WATER DISTRICT  
La Contenta Wastewater Treatment Plant Septage Receiving Station

The Calaveras County Water District (District) invites bids from qualified and experienced contractors (prospective bidders) to furnish all labor, equipment, materials, and expertise needed for the fabrication and installation of a Septage Receiving Station (Station) at the La Contenta Wastewater Treatment Plant in Valley Springs California. The Company will furnish all labor, material, supplies, and equipment required for the fabrication, construction, and installation of the Station. The following is a preliminary scope of work; your proposal may include modifications to this scope of work which you deem prudent or desirable based upon your experience and expertise. The final scope of work is subject to negotiation after a Contractor has been selected by the District.

**Task 1— Review the Wastewater Treatment Facility with District Staff.** Onsite meeting to work with the District to coordinate the installation/construction of the Station.

**Task 2 – Construct the Station.** With input provided from District Staff, work to construct the Station.

This Project is subject to CCWD's Short-Form Construction Contract which stipulates adherence to prevailing wage, insurance, and other basic public contracting requirements. A copy of the Contract is available upon request and will be provided to the successful bidder.

Beginning **February 20, 2023**, District Staff will be available to discuss the project in detail. For further information, requests, or questions contact:

Calaveras County Water District  
120 Toma Court  
San Andreas, CA 95249  
Attn: Kate Jesus  
Phone (209) 754-3181 / Email: katej@ccwd.org

A mandatory pre-bid walk will be held **Tuesday, March 14, 2023, at 9am** at 1525 CAMPBELL COURT, VALLEY SPRINGS, CA 95252. Prospective bidders must inspect the site of work prior to submitting a bid.

Separate electronic or sealed bids for completion of the La Contenta Wastewater Treatment Plant Septage Receiving Project will be received by email (katej@ccwd.org) or mail at the District's office at 120 Toma Ct., San Andreas, CA 95249 **until 2:00 PM local time on Tuesday, March 28, 2023**, at which time Bids will be publicly opened and read aloud.

Prospective bidders shall hold a Class A General Engineering Contractor's license issued by the State of California and be skilled, experienced, and regularly engaged in the type and scale of work called for under this Contract. All bidders and subcontractors shall be registered with the California Department of Industrial Relations (DIR) pursuant to Labor Code Section 1725.5 to be qualified to bid on this project or to be listed as a subcontractor for this project pursuant to Public Contract Code Section 4104.
