Fire Hydrant Replacement in Copperopolis

Tuesday, June 25, 2024 - 9:00pm - 3:00am

Crews will be replacing a broken fire hydrant damaged during the firefighting efforts on the corner of Copper Cove Drive and O'Byrnes Ferry Road on Tuesday, June 25 from 9:00pm to 3:00am. You may be without water during this time. The work will be done at night to lessen the impact on residents and businesses. We apologize for any inconvenience.

Attention Big Trees water customers:
There's a main line water leak in the Big Trees area of Shastan and Dardanelle Vista. You may experience lower water pressure, temporary water loss, or discolored water. Crews are on scene and repair efforts are underway.

 Transparency

Items required by the State of California are indicated by an icon .

All other items are part of the [Special District Leadership Foundation's](#) Transparency Certificate of Excellence program and are optional. The California Special District Association's nonprofit leadership group, the Special District Leadership Foundation, created voluntary guidelines to help California special districts follow transparency best practices. Districts that undertake these guidelines can apply for SDLF Transparency Certification. More information can be found on the [SDLF website](#).
